Turn running into a fun game. The only way to play is to use your legs to start and stop your clock.

**Current
Jackpot:**

\$340.00

"A 5K Prediction Run that is not only Chip-Timed but also Split-Timed!"

- \$0.50 will be added to the jackpot for each Prediction Run finisher.
- Jackpot will be awarded to first participant who predicts to within a hundredth of a second (0.01 sec) chip-timed.
- Almost Perfect : A prediction to within a tenth of a second (0.10 sec) wins 10% of the jackpot when over \$200.
- Unless conditions prevent, the Prediction Runs will be chip-timed and chip times will be used in determining winners. Obtain your assigned bib and specify your predicted time before the race.
- In the all Prediction Runs, we may allow runners to do up to 3 predictions. The extra runs can be continuous(non-stop) or separate 5K's(with break).

Registration/Fees:

- [Please Register \(click here\) to participate for just \\$2.](#)
- Non-registered runners can participate for \$3.

Prizes:

- In addition to the jackpot, the top predictor(s) of each run will win gift card(s) or other prizes.
- Number of prizes will vary based on number of participants. Invite your friends!
- If less than 30 participants, 1 prize awarded(usu a \$10 Subway gift card). 30 to 49, 2 prizes. Over 50, 3 prizes.
